The Commander stands for the virtues of wisdom. ... What the ancients called a clever fighter is one who not only wins, but excels in winning with ease. 12. Hence his victories bring him neither reputation for wisdom nor credit for courage. 13. He wins his battles by making no mistakes. Making no mistakes is what establishes the certainty of victory, for it means conquering an enemy that is ...

This modern classics book list is my best guess about the books that matter from a period of not-quite 50 years in the second half of the twentieth century. Somebody else could do their own list of 100 must-read modern classics that has absolutely no overlap with mine, and it would probably be a good list too. So check out my choices and tell ...
