The iPod Shuffle doesn't come with a manual when you buy it. That's not unusual. In our age of downloads, it's pretty common that most products — especially computers and other electronic gadgets — don't come with printed manuals. But that doesn't mean there isn't an iPod Shuffle manual to show you how to use your device. You just need to know where to find it.

Generalidades. El iPod Classic almacena la multimedia en un disco duro interno, mientras que el resto de los modelos hace uso de una memoria flash para permitir su menor tamaño (el iPod Mini utilizaba un disco duro Microdrive). Como ocurre con muchos otros reproductores de música digital, los iPod, también pueden servir como dispositivos de almacenamiento de datos externos.
