Keywords may be bolded and they provide clues to the main idea. Students can practice finding bolded keywords by doing a scavenger hunt with baskets of nonfiction books. Put students in pairs or in groups of threes and have them use sticky notes and to record any bolded keywords that they find. When they finish, they can meet with another group to share their findings or you could choose ...

*Non-standardized tests are flexible in scope and format, and variable in difficulty. For example, a teacher may go around the classroom and ask each student a different question. Some questions will inevitably be harder than others, and the teacher may be more strict with the answers from better students. A non-standardized test may be used to determine the proficiency level of students, to ...*
